

21st Century IT Skills

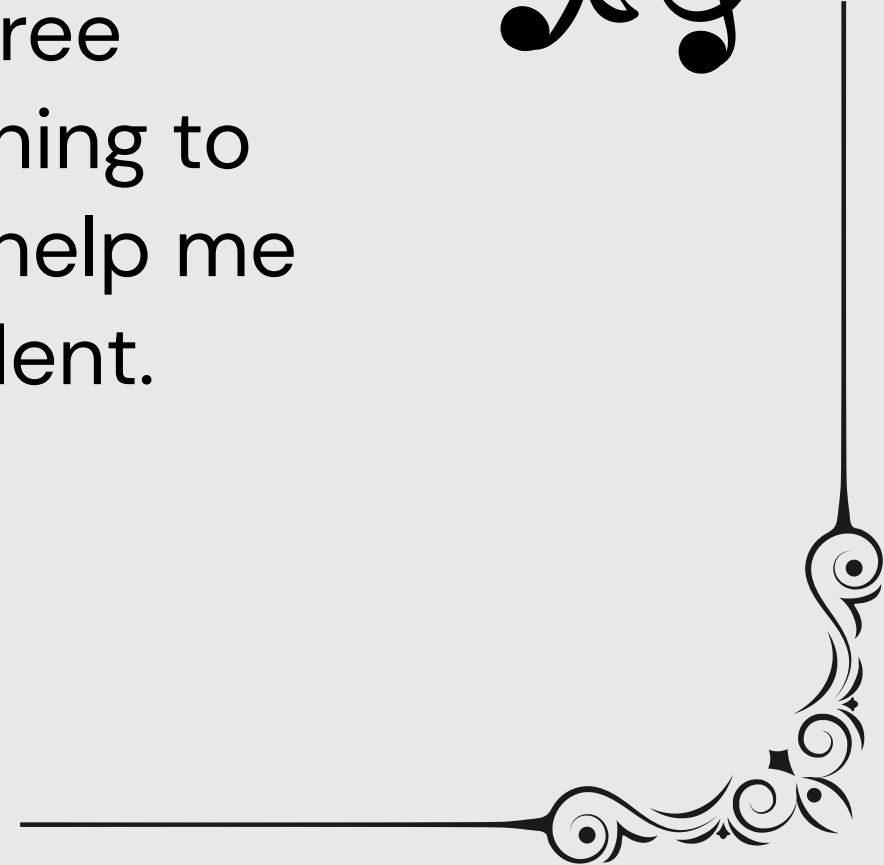

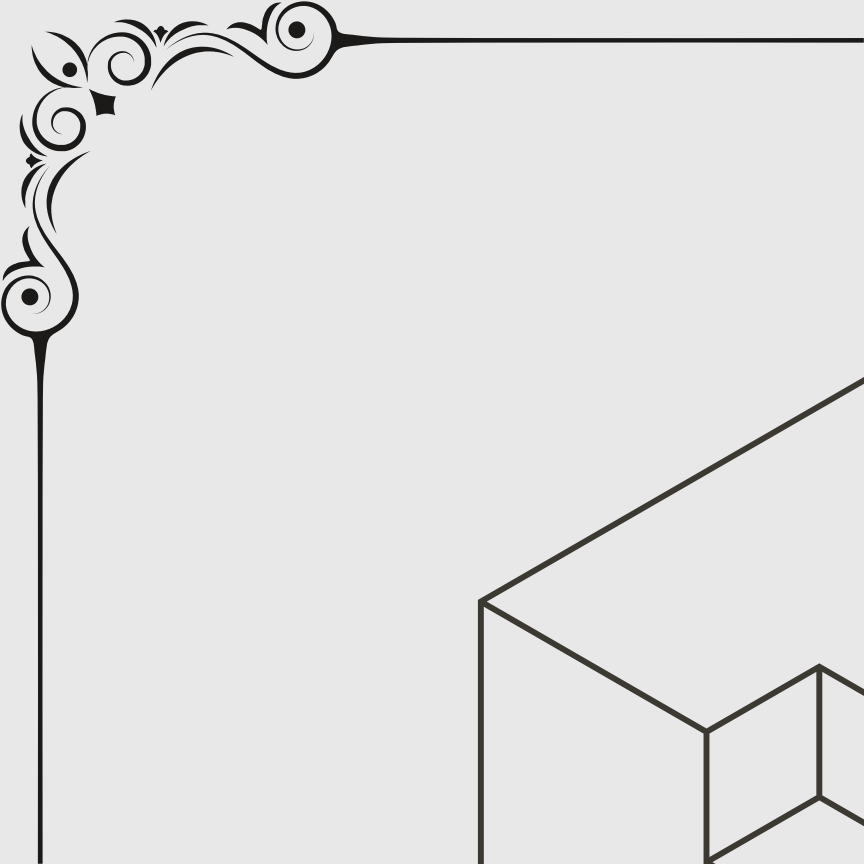

By Mico Grande

Introduction

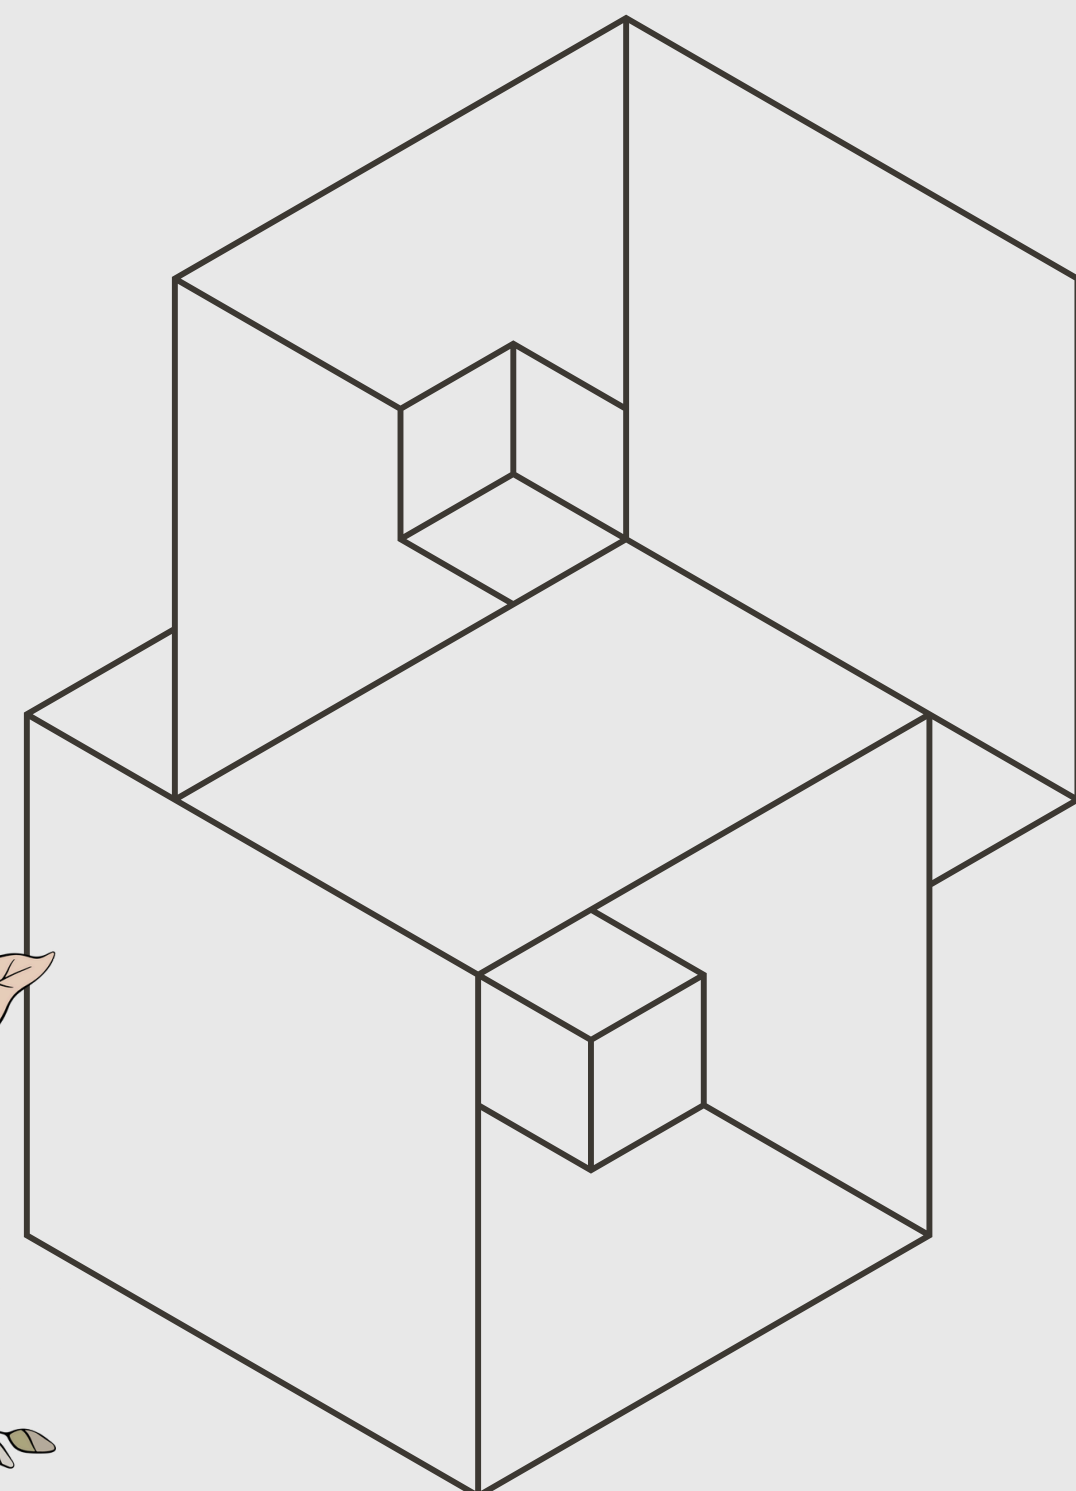

Hello, I'm Mico F. Grande

Course/Year/Section: BSIT, 1st Year,
BSIT 2A

About Me

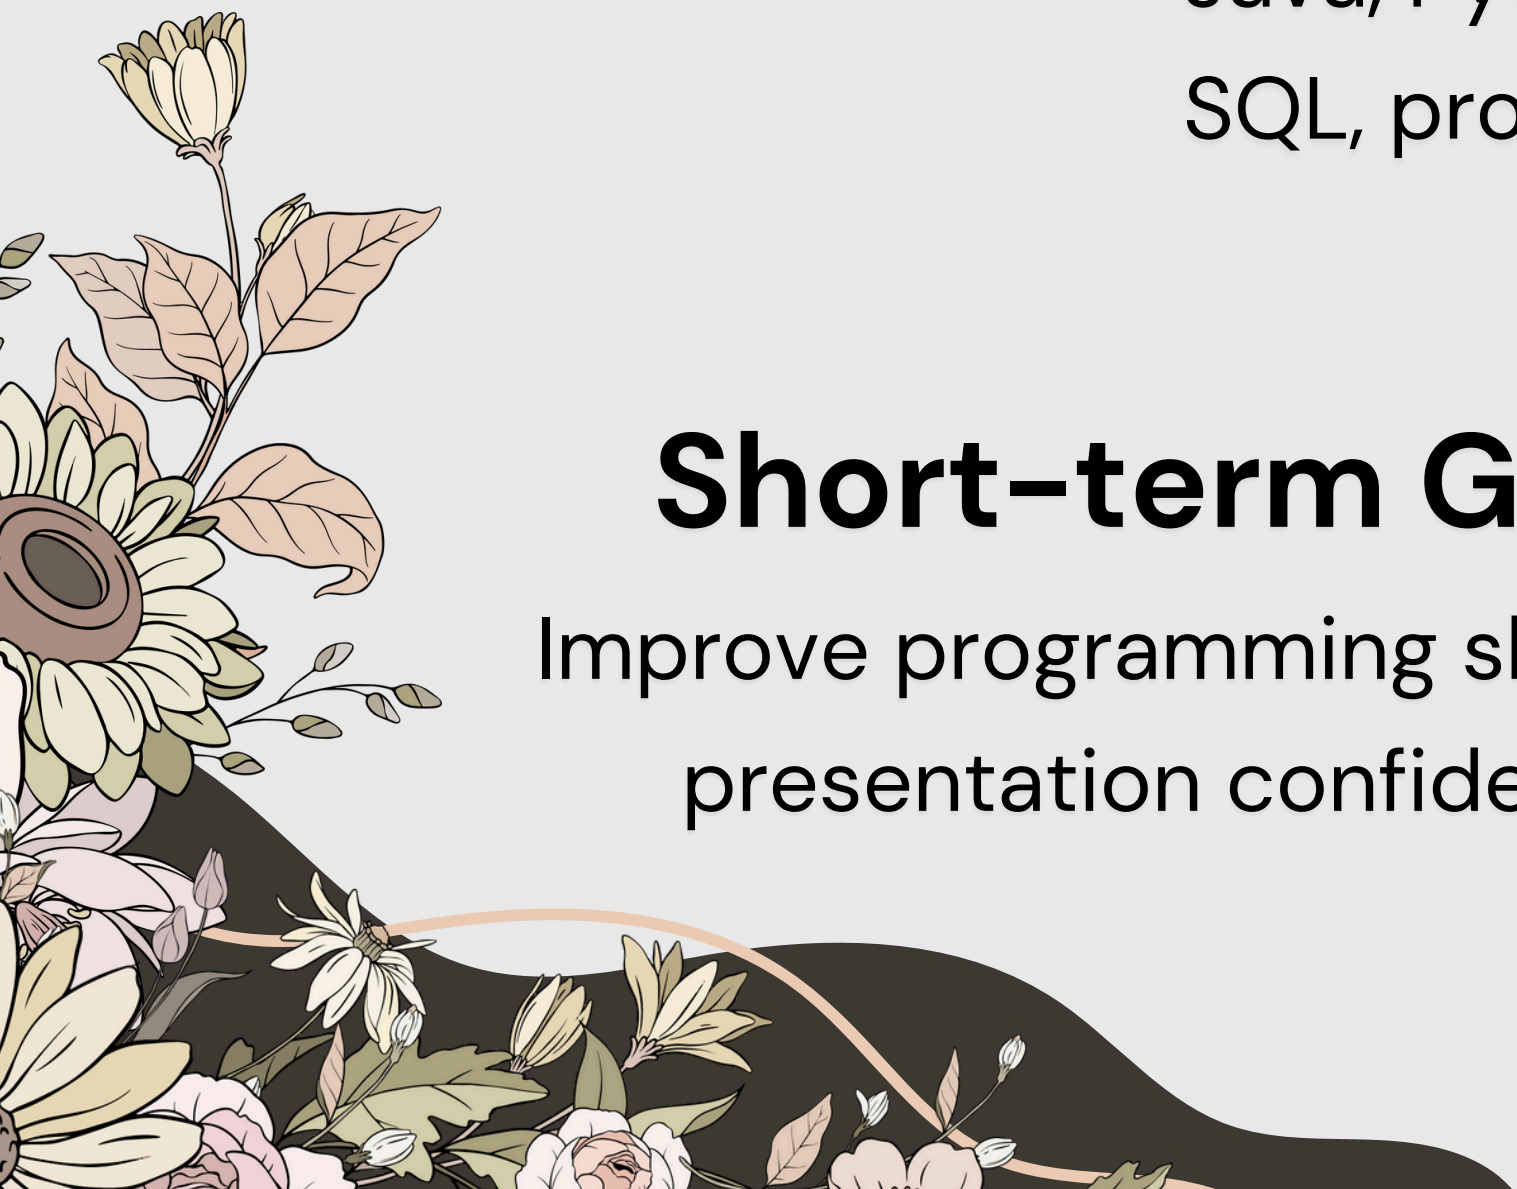

I'm Mico F. Grande from Davao City, currently studying BSIT. I'm passionate about technology and love learning new skills in programming and IT. In my free time, I enjoy playing the guitar, listening to music, and gaming. These hobbies help me stay creative and focused as a student.

Skills & Career Goals

Skills

Java, Python, JavaScript, HTML/CSS,
SQL, problem-solving, teamwork

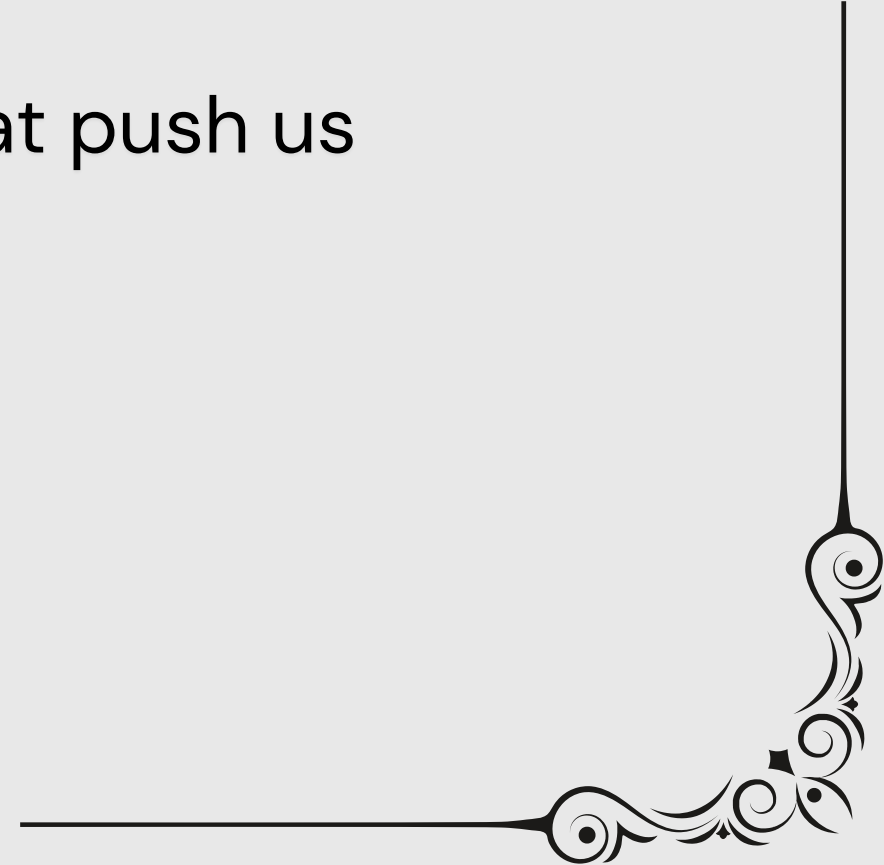

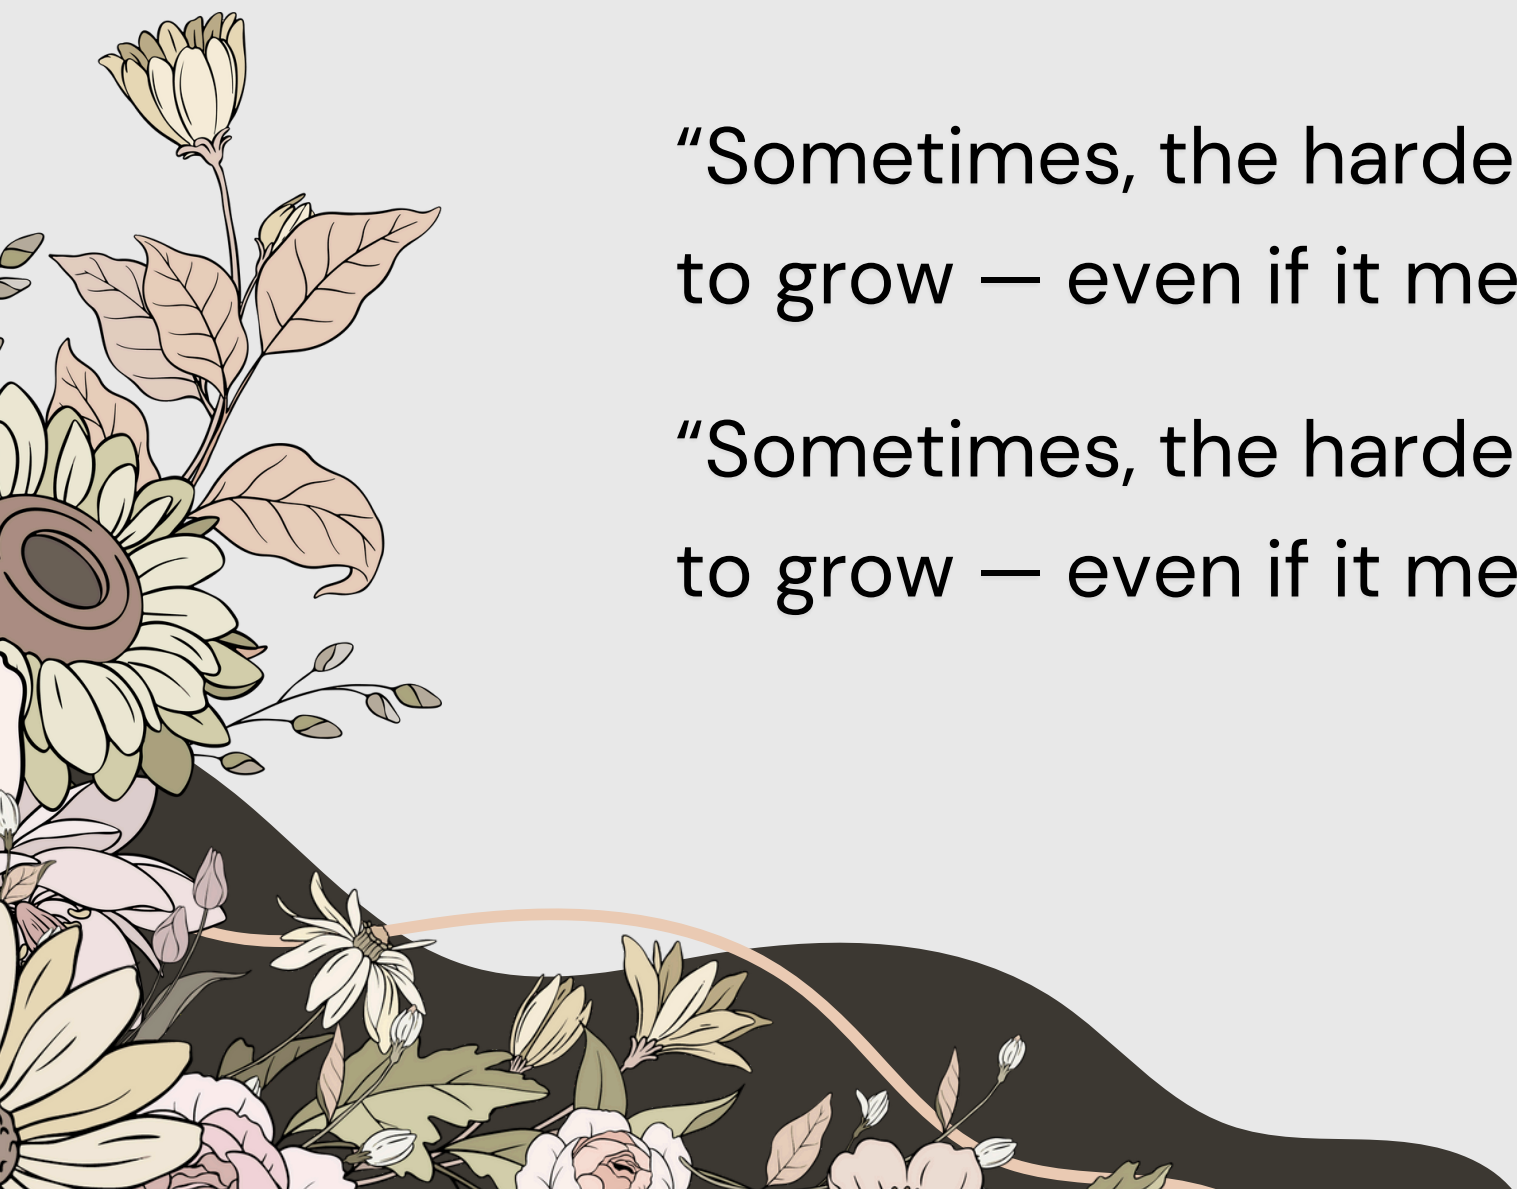

Short-term Goal

Improve programming skills and
presentation confidence

Long-term Goal

Become a cybersecurity
professional or white hat hacker

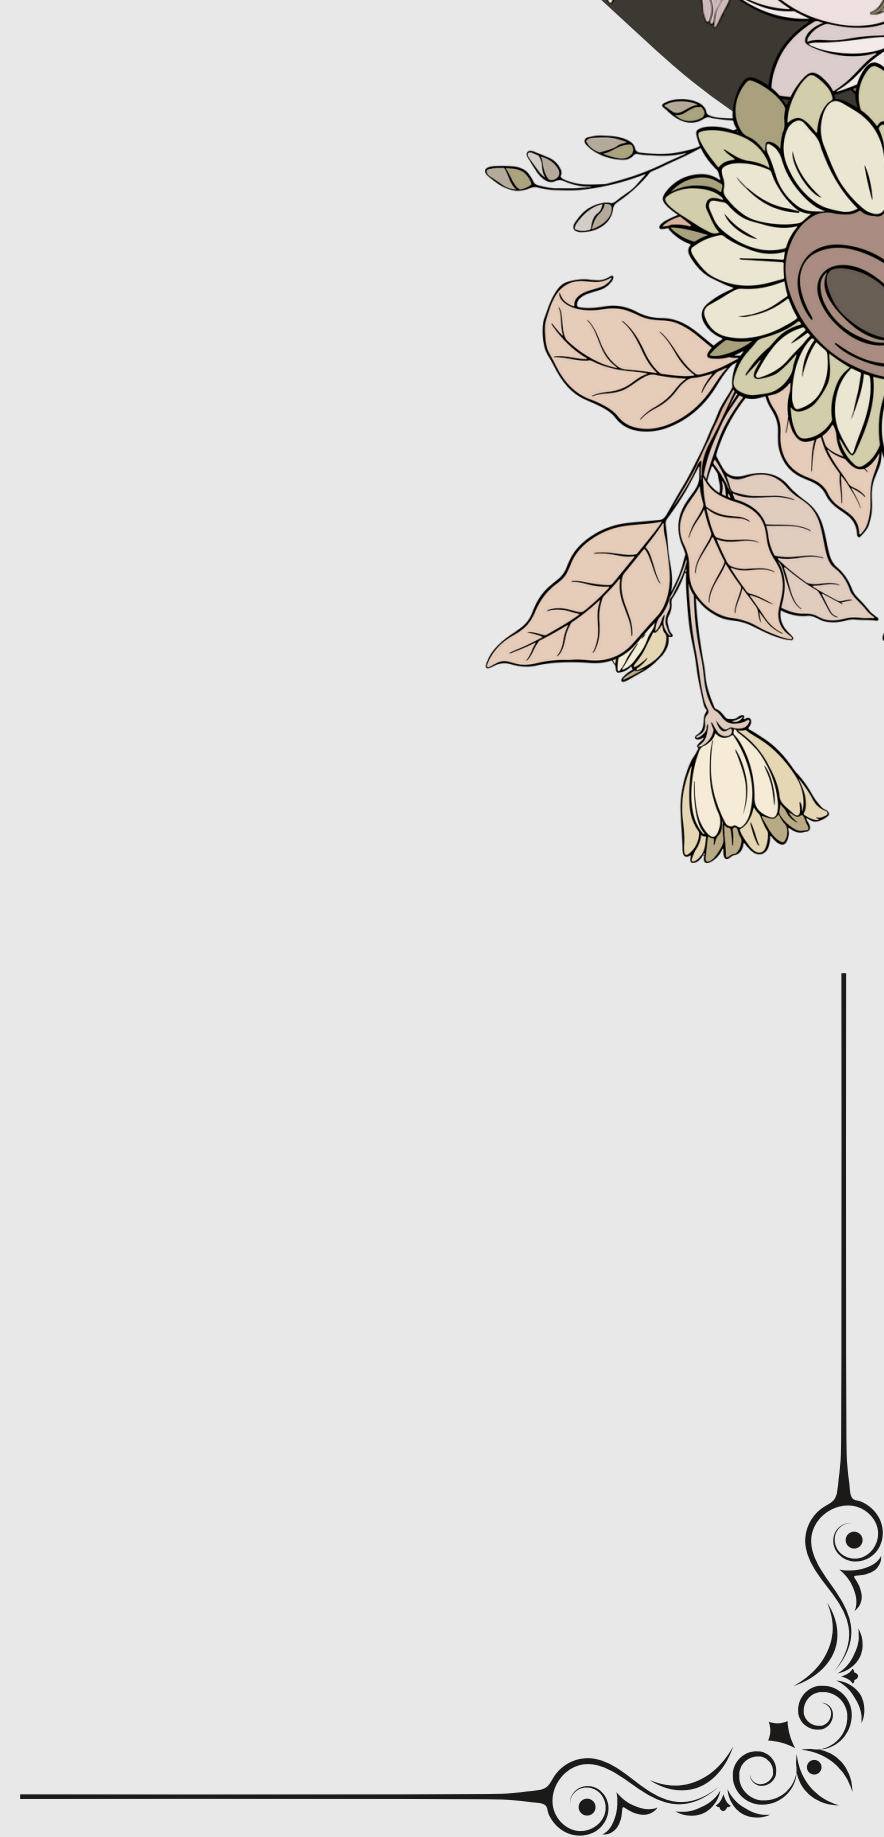

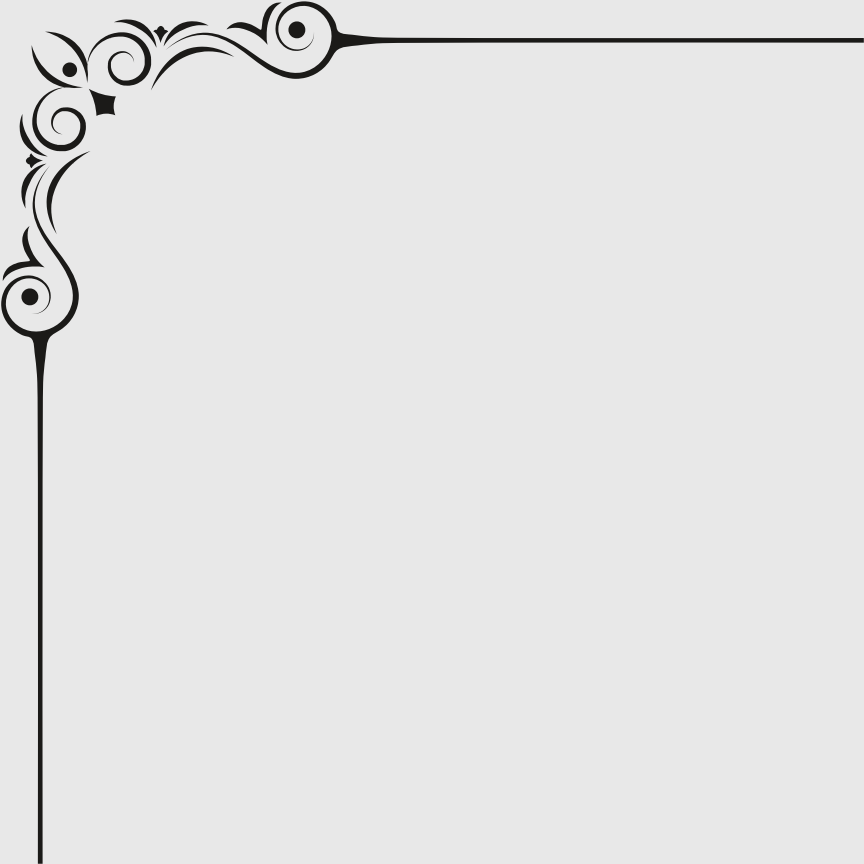

Achievements or Inspirations

"Sometimes, the hardest truths we must face are the ones that push us to grow — even if it means breaking down first."
